

**PLEASE LIVE IS A 501C3 NONPROFIT THAT PROVIDES FREE
EDUCATION AND AWARENESS EVENTS TO SCHOOLS,
YOUTH GROUPS, AND COMMUNITY VENUES.**

Through education, we hope to increase awareness of mental health problems, increase the rate of youth receiving the help they need, decrease stigma associated with mental health, and decrease the rate of youth suicides in our community.

We provide our program in three basic steps. The first step is to coordinate Mental Health First Aid training for staff members. The second step is to teach students about mental health and how to get help for themselves and how to help their friends. The third step is to coordinate a community mental health fair to engage the community and assist in connecting hurting individuals with someone who can help.

Please Live has no paid staff and does not charge schools or agencies for our events. We are funded entirely by grants, donations, sponsorships, and the hard work of our volunteers.
