WHAT IS LOVE LIFE LETTERS?

Love Life Letters offers an easy way for anyone to receive encouragement. We believe that hope is essential to making it through whatever trial you may be facing, and we want to help bring that hope to others through letter-writing.

We have an amazing team of volunteer letter-writers who have struggled with mental illness, found their recovery, and want to help others heal.

Simply fill out the information on the Love Life Letters submission form on our website and you or a loved one will be receiving personalized letters of encouragement soon.
